

NETWORKING

1524 SOUTH IH-35, SUITE 310, AUSTIN, TEXAS 78704 ★ PHONE (512) 916-0508 ★ FAX (512) 916-0541 ★ WWW.TACDC.ORG

TACDC **NETWORKING**

TACDC Networking allows for CDC members to meet and learn from other community development professionals and network with affiliated governmental/private-sector funders while identifying industry trends.

HIGHLIGHT: **POLICY SUMMIT**

The Texas Community Economic Development Policy Summit brings together leaders and policy-makers from state government, banking, housing and community development. The event is limited to invited participants, including a number of state legislators, agency officials, advocates and CDC practitioners.

The Policy Summit is designed to encourage conversation and discussion around the most pressing public policy issues in community develop in Texas.

The 2007 Policy Summit will be October 9th in Austin.

HIGHLIGHT: **CED ANNUAL CONFERENCE**

The Annual TACDC Community Economic Development Conference provides attendees with the opportunity to attend training events, identify industry trends, and network and learn from other community development professionals.

Conference attendees will include non-profit and for-profit developers from Texas, representatives from the state housing agency, consultants, and others.

The 2008 CED Conference will be March 10-12 in Corpus Christi, Texas.
