

CONNECT
COMMUNITY

Engage with Peers on CDFI Connect!

This online community is a critical tool used by more than 13,000 CDFI practitioners, partners, and industry advocates to network, collaborate, and exchange knowledge.

THE PLATFORM FEATURES:

Discussion Boards

Resource Libraries

An Event Calendar

Specialized communities that focus on:

Technology

Job Opportunities

Climate Crisis *and More!*

Stay engaged with ideas, opportunities, and expertise on the issues you care most about through this free community built by and for the CDFI industry.
